

August 8, 2006

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: WR - Harold Knocke

SUBJECT: Certification of Western Region Supplement 07-2004, RAWIN-
Theodolite Optical Comparative Observations applicable to NWSI 10-
1400, Dated May 21, 2001.

The WRH Scientific Operations Division reviewed National Weather
Service Supplement 07-2004, RAWIN-Theodolite Optical Comparative
Observations and certifies it is current and requires no updating
during its FY 2006 (*or other fiscal year*) biennial review cycle.
